The Tauck River Cruising Difference

Named to Travel + Leisure's "World's Best River Cruise Lines" for 15 consecutive years, Tauck's European river cruises aboard our custom-crafted, intimately sized ships promise meaningful connections among like-minded travelers. No single supplement in Category 1 makes them the perfect choice for solo travelers, too.

Distinctively Inclusive

If it means a better river cruise experience for your clients, we include it. In addition to guided shore excursions, exclusive experiences, special meals and tastings ashore, onboard your clients will enjoy fine dining, complimentary all-day beverages, wine and spirits, and a selection of snacks. All gratuities are included too!

Uniquely Tauck

Destination inspired, Tauck's cultural discoveries and private experiences are unique to the places your clients explore with us, ensuring an authentic look at local life. Think nobility-hosted palace dinners, wine tastings at family-owned vineyards, early opening visits to must-see sites, private homes & more for Tauck guests only.

Fewer Guests & More Tauck Staff Onboard

Our custom riverboats are designed to offer the most space per guest on Europe's rivers. With just 84 to 98 guests on our smaller riverboats and no more than 130 guests aboard our larger ones, a dedicated Tauck Director for every 35 guests plus a Tauck Cruise Director, your clients will enjoy thoughtful personal service.

The Perfect Choice

With 33 cruises on the Rhine, Danube, Rhône, Seine and Douro rivers, and inland waterways in the Netherlands and Belgium, each day brings a new destination and opportunity to discover it up-close and personally. Your clients will have a choice of included excursions to meet their interests for a more personalized travel experience.
