The River Cruising Difference for Solo Travelers

With 35 unique itineraries to choose from on the Rhine, Danube, Rhône, Seine and Douro rivers, Tauck river cruises offer ample opportunities for meaningful connections with like-minded guests aboard our intimately sized ships – the perfect choice for solo travelers.

Distinctively Inclusive

Solo travelers enjoy great value with virtually every expense included and special pricing in select cabins. In addition to guided shore excursions, exclusive experiences, special meals and tastings ashore, your clients will enjoy fine dining, and all-day complimentary beverages, wine and spirits aboard ship. And all gratuities are included.

Uniquely Tauck

Destination inspired, Tauck's cultural discoveries and private experiences are unique to the places your clients explore with us, ensuring an authentic look at local life. Think nobility-hosted palace dinners, wine tastings at family-owned vineyards, early opening and after-hours visits to landmark sites, where Tauck is the guest of honor.

Fewer Guests & More Tauck Staff Onboard

Our custom riverboats are designed to offer the most space per guest on Europe's rivers. With just 84 to 98 guests on our smaller riverboats and no more than 130 guests aboard our larger ones, along with a Tauck Cruise Director and a dedicated Tauck Director for every 35 guests, your clients will enjoy thoughtful, personal service – and warm camaraderie.

No Single Supplement on all European River Cruises

The single price in our Category 1 cabins is the same as the double price, which means savings of up to 50% on every river cruise departure. We also offer special savings for guests booking a single cabin in different categories on select itineraries and departures.
