From majestic fjords to vibrant cities, immerse yourself in Norway's breathtaking landscapes, Northern Lights, and a deep-rooted heritage waiting to be explored. Since 1893, Hurtigruten has been the lifeblood of the Norwegian coast, a household name cherished by locals for decades. We warmly invite you to come and be a part of it too.

The Original Coastal Express is the classic Hurtigruten route, one that has drawn the coastal regions of Norway together for the past 130 years. This iconic voyage, from 6 to 17 days, can include up to 34 different quaint village ports

set within the country's trademark fjords.

The Svalbard Line delivers a summertime adventure to the Land of the Midnight Sun, between Bergen, Norway, and the settlement of Longyearbyen on the remote Svalbard island of Spitsbergen.

The North Cape Line lets you experience the beauty of the Norwegian coast in the wintertime, with the Northern Lights on full display. Enjoy full immersion in Norwegian heritage with an itinerary that delivers dramatic cliffs, picturesque inlets and traditional fjord-side towns.
